McCormick Taylor, Inc.  
Advisory Committee Chair

July 13, 2016

John Clark, PE  
Colorado Parks and Wildlife  
6060 Broadway  
Denver, CO 80216

Dear Mr. Clark,

Congratulations! Colorado Parks and Wildlife has been selected to receive the 2016 ASDSO National Rehabilitation Project of the Year Award for the Beaver Park Dam Rehabilitation Project. The Awards Committee considered four highly qualified nominations this year, and is pleased to recognize Colorado Parks and Wildlife for the innovative and effective design components of this important dam rehab project.

The 21<sup>st</sup> Annual Rehabilitation Project of the Year Award will be presented on Monday, September 12, as part of the Dam Safety 2016 conference's Award Luncheon. The conference will be held at the Pennsylvania Convention Center in Philadelphia, Pennsylvania. The Awards Luncheon is from 12:00pm – 2:00pm. The Board of Directors would be honored to have you receive the award in person. Time will not allow for a presentation or speech, but a few brief remarks in acceptance of the award would be acceptable.

Please RSVP with me no later than August 1, 2016 to confirm if you will be attending and accepting in person.

In preparation, we would like you to forward us a headshot of yourself, 3-5 photos of the project and a short (1 page or less) description of the project. We would like this information regardless of your plans to attend the banquet, so that we can recognize the project. Please forward this information no later than August 1, 2016.

Again, congratulations on your success, and I look forward to seeing you in Philadelphia.

Best Regards,

Jennifer Burns  
Office Manager
